INVITATION

INTERNATIONAL CONFERENCE

"PROBLEMS OF THE 21ST CENTURY - DRUGS, ALCOHOL, BULLYING IN SCHOOLS"

Arad, 27-30 March 2024

Dear friends,

IPA Romanian Section and IPA Region 4 Arad, in partnership with the Gendarmerie Inspectorate of Arad County, invites you to the **International Conference "Problems of the 21st century - drugs, alcohol, bullying in schools"**, which will take place between **27-30.03.2024, in Arad, Arad County, Romania.**

The activity is addressed both to **police/gendarmerie workers from your country and abroad**, as well as **other professionals with assignments in the field**, teaching the staff (especially those with responsibilities within the commissions to prevent violence in the school environment), teachers, school counselors, students.

The conference aims to provide the participants participants:

- the possibility of getting familiar with the methodological rules for preventing and combating bullying as well as the consumption of drugs and alcohol in schools;
- access to the experience of specialists who contribute to the creation of a harmonious, safe educational climate by reducing cases of violence in the school environment;
- good practices in the field of preventing violence in the school environment - the results of existing impact projects both at the national and international level;

- exchange of experience with police workers from abroad, on ways to prevent and combat violence and drug and alcohol use in schools in schools in the countries of origin.

The costs with accommodation and meals, **for two IPA members in one double room, will be borne by IPA Romanian Section.** If there are several members who would like to participate, the cost is 180 euro/person.

For more information, the **contact person is Marius Mureșan**, vicepresident on International Relations: **00 40 744 397 796.**

The registration deadline is 01.03.2024.
