Ladies and Gentlemen,

We invite you to the next meeting of IPA Anti-terrorist Poland members, which will take place from October 13 to 20, 2024. I would like to solemnly inform you that this year we combined our meeting with the celebration of the 30th anniversary of the existence of the IPA Poland Lower Silesia region (Lower Silesian IPA Provincial Group).

Our stay program includes, among others:

- 1. Participation in the celebration of the 30th anniversary of the Lower Silesian IPA Provincial Group*
- 2. Visiting Wrocław - the capital of Lower Silesia*
- 3. Trip to Bohemian Paradise - a real pearl among rock cities, a land of castles and volcanoes*
- 4. Beer festival "Oktoberfest" in Polish - tasting of German, Polish and Czech beer*

The IPA Anti-terrorist Poland Association is one of the most numerous associations in Poland. Its members are mostly police officers from anti-terrorist units in active service, retired police officers and people of merit to the association. Our goal is to promote the IPA Anti-terrorist Poland Association internationally, integrate and exchange experiences among IPA members around the world, help police officers on active duty and after their termination in crisis situations and in the fight against stress.

We will send interested guests from Poland and abroad a detailed stay program. We provide our guests with: accommodation, food and additional attractions according to the program (for two guests from one country).

The costs of stay of foreign guests are covered by: IPA Anti-terrorist Poland.

Please quickly confirm your stay and send your application to the following e-mail address: ipapoland@gmail.com
