1. Shree Ganesham Travel Mart, Pvt. Ltd. is not responsible for the delay of checked baggage, nor for its loss or damage, as these are incidents that correspond to the airline as carrier. The claim must be processed directly with the airline. Firstly, the document called PIR (irregularity in the transport of baggage) must be formalized at the airport itself and at the time the incident occurs. Secondly, a complete claim form must be sent to the airline immediately, attaching the receipts that justify the amount demanded..
2. The client is obliged to always carry his/her national identity document and also, if required, his/her passport in original and valid copies..
3. The agency has the duty to inform about the special documents (such as visas, medical certificates of vaccination or health, etc.) required by the destination of the trip for entry into the country, and the client expressly assumes both their processing (except in the case of another agreement with the agency) and the consequences derived from not carrying them or the fact that they are not valid or current.
4. Foreign clients must ensure that they comply with visa requirements in order to enter, leave and move around the destination country without problems..
5. Travellers are often travelling through remote areas with limited or no tourist infrastructure. Travelling in these places requires flexibility and acceptance of changes in services that may result from such limitations. A certain ability to adapt to the unexpected is also necessary, both positive (a local festival, a market) and not so positive (floods, road closures, train delays, etc.).
6. The traveller must be aware that in some cases, for example, a rapid evacuation or adequate medical assistance may be impossible. The special characteristics of this trip, which correspond to those of an alternative trip, are known and accepted by the traveller, who expressly accepts the situations and circumstances that may arise from it.
